The regular monthly meeting of the Ellport Borough Sewer Authority was held on the above date in Council Chambers, Ellport Borough Building. Present were Chairman Steffler and Authority members Campbell and Christy. Absent were Takacs and Milnes. Also present were Solicitor Leymarie and Jeff Davis, plant operator. The minutes of the October 19, 2023 meeting were approved as received.

TREASURER'S REPORT:

Checking - \$ 71,839. Capital Improvement - \$111,513

OLD BUSINESS:

The Authority discussed the Consent Order And Agreement received from PADEP in which they have found that the Authority has failed to install a comminutor at the Plant and the installation of the sodium bisulfite system at the Plant without a permit. They describe these violations as "unlawful conduct under Section 611 of the Clean Streams Law". Since there are reasons for both of these circumstances, Solicitor Leymarie was authorized by the Authority to respond to PADEP and inform them that R.A.R. Engineering is going to request permit changes so that both of these occurrences are lawful. The Consent Order was not signed by the Authority.

NEW BUSINESS:

A motion was made by Campbell and seconded by Steffler to pay the bills. A roll call vote was taken with all voting yes. Motion passed unanimously.

Chairman Steffler adjourned the meeting.
